Advanced LED light

- 5 year warranty on LED system

Designed for outdoors

- IP44 - weather proof

Special characteristics

- Powerful light

High quality light

- Warm white light 2700K

Highlights

Long lifetime up to 50,000 hours

Reliable high-quality LED light lasts up to 50,000 hours. You can rest easy knowing that you won't have to worry about maintenance for years, while enjoying the perfect garden light every night.

Ultra Efficient

Consumes at least 50% less energy as compared with equivalent standard LED lights from Philips.

Up to 80 % energy saving

LED lights save up to 80% energy compared to a traditional lighting with the same light output. When you buy a Philips LED light, you start saving money right away. For each light source you replace with a LED light, you will see immediate returns on a lower energy bill.

5 year warranty on LED system

In addition to the standard 2-year warranty offered for this luminaire, Philips also offers a 5-year warranty on the LED system (the LED module and driver).

IP44 - weather proof

This Philips outdoor light is especially designed for humid outdoor environments and has been tested rigorously to ensure water resistance. Its IP44 rating means that it has been certified to offer ingress protection against dust and splashing water—perfect for general outdoor use.

Powerful light

This Philips outdoor luminaire provides powerful light. A bright pool of light to light up your garden or terrace.

Warm white light 2700K

Did you know that different shades of white light are identified by different color temperatures, measured in Kelvin (K)? Lower color temperatures produce a warm, cozy white light, while higher color temperatures produce a cool, more energizing white light. This luminaire produces warm, relaxing light at 2700 K.

Specifications

Design and finishing

- Color: Anthracite
