Wired to fit

Dual wiring offers left or right installation with an option for concealed wiring to provide a seamless, integrated look.

Quick Connect

Easy installation and hassle-free connection, simplifying your installation, allowing for easy removal when painting or tiling without needing an electrician.

TECHNICAL SPECIFICATIONS

- IP55
- 220-240Vac – 50Hz
- Dual Wiring
- Quick Connect
- Scheduler, timer & Temp Control
- 3Y Warranty

Select desired position to mount towel rail with at least 50mm to 300mm clearance from all permanent objects in surrounding area and the bottom rung must be 600mm above the floor. The Ladder Towel Rail should be installed in accordance with local governing AS/NZ regulations.

Scheduler, Timer & Temperature Control

Enjoy complete control over your comfort with on/off scheduling, adjustable temperature settings, and a convenient timer, ensuring your towels are perfectly warm exactly when you need them.

- Scheduler: Choose from multiple 12 hour cycles.
- Timer: Set when you want to turn off.
- Temperature: Select your ideal temperature from 30°C to 60°C.
